EVANGEL UNIVERSITY

OFF-CAMPUS PARENTAL ENDORSEMENT

Required of single dependent students
living with parents, grandparents or legal guardians

Academic year for which your student is applying: ☐Fall, 20___ ☐Spring, 20___

I am the student's: ☐PARENT ☐GRANDPARENT ☐LEGAL GUARDIAN*

I verify that my student, _____, is planning to live at home while attending Evangel University and will comply with all of the following:

- He/she will live with me at my permanent residence on a full-time basis for the entire academic year and will not reside elsewhere at any time. Should this change I acknowledge that he/she will be required to immediately notify the Housing Office and make arrangements to move back into a residence hall if one of the other off-campus criteria is not met.
- Students living at home must submit a new off-campus questionnaire and parental endorsement each fall.
- It is not an option for a parent to become the student's part-time or full-time roommate or housemate in an attempt to gain approval for the student to live off campus; nor is it acceptable for a parent to rent, lease or buy a Springfield-area property in order to gain approval for the student to live off campus "at home." Please contact the Housing Office for further clarification if needed.

By signing this form I acknowledge that the penalty for being out of compliance with University housing policy will result in a $200 penalty (per semester) and violators will be mandated to move back on campus or face disciplinary action.

_____	_____
