What is E-Block?
It is a new dining option for commuters and qualified Evangel University students who are looking for an affordable, flexible and convenient way to stretch their on-campus dining dollars.

How does E-Block work?
This plan allows you to load a set number of meals on your Prox Card that are then debited each time you eat in one of the dining operations on the Evangel Campus. If you run out of meals prior to the end of the semester, you may purchase a smaller plan if you wish.

1 E-Block Meal = 1 Register Swipe

Where can I use my E-Block meals?
For all-you-can-eat meals, the plan may be used anytime the Crusader Dining Hall is open and it may also be used in the Joust between 10:30am & 7:30pm, M-F for value meals only.

Who can use my E-Block Meals?
You are welcome to treat others; however, you must be with the folks you are treating. You may not allow others to use your card for meals at any time as per Evangel policy.

• E-Block meals are non-transferable.
• The plan expires at the end of each semester with no refunds for remaining meals. (Refer to policy for additional information)

Other E-Block Information
• Students who are not required to be on a 10, 15, or 19 meal plan may purchase an e-Block.
• Save time, save money and enjoy the same great dining options and convenience as residence hall students!

For more information on campus dining, menus, and hours of operation see our website:
